

Direct Jobs Supporting Detail by Transportation Mode
Employment Data Reported by Contractors and Consultants as of March 23, 2010
For Transportation Mode: All

Effective 1/21/2010, the "Direct Jobs" formula has been modified to be pro-rated based on the ARRA portion of the contract award. This formula is still cumulative. This has been modified due to the new OMB guidance which made it clear that the jobs were to be pro-rated.

Direct Jobs Supporting Detail by Transportation Mode
Employment Data Reported by Contractors and Consultants as of March 23, 2010
For Transportation Mode: All

Effective 1/21/2010, the "Direct Jobs" formula has been modified to be pro-rated based on the ARRA portion of the contract award. This formula is still cumulative. This has been modified due to the new OMB guidance which made it clear that the jobs were to be pro-rated.

Direct Jobs Supporting Detail by Transportation Mode
Employment Data Reported by Contractors and Consultants as of March 23, 2010
For Transportation Mode: All

Effective 1/21/2010, the "Direct Jobs" formula has been modified to be pro-rated based on the ARRA portion of the contract award. This formula is still cumulative. This has been modified due to the new OMB guidance which made it clear that the jobs were to be pro-rated.

Direct Jobs Supporting Detail by Transportation Mode
Employment Data Reported by Contractors and Consultants as of March 23, 2010
For Transportation Mode: All

Effective 1/21/2010, the "Direct Jobs" formula has been modified to be pro-rated based on the ARRA portion of the contract award. This formula is still cumulative. This has been modified due to the new OMB guidance which made it clear that the jobs were to be pro-rated.
